

DROP IN CLASS CARDS for school dance team & adult students!

Premiere is excited to offer class cards for dancers needing dance hours for their school dance team and adult dancers. Rather than enrolling in our Summer Session, Premiere now allows you to purchase classes individually with no registration fee. Dancers may attend any age appropriate class listed below with open availability. Classes are on a first come basis, however dancers may enroll in the 9 week session to guarantee a spot weekly and pay the 9 week tuition instead.

Drop-in's are available in the following classes with openings ONLY:
***10-18 Yr. Old & Adult Ballet, Tap, Jazz, Contemporary, Hip Hop, Turns & Progressions, Drill Team Technique, and Stretch & Strengthen.**

Rules:

- ~Class Cards are **ONLY** valid from June 6th thru August 6th, 2022. They may not be redeemed for tuition, private lessons, intensives or a refund. Unused classes expire on August 6, 2022.
- ~Dancers will need to purchase a class card online via our portal through the Premiere website.
- ~The class card will be tracked online, no paper cards will be issued.
- ~Class cards are separate from Summer Intensives and Summer Weekly Class Tuition.

By signing up for the "drop-in" class, you are agreeing to attend class and the class fee will be charged, regardless of attendance unless 24 hours notice is given to cancel.
